-against-

Civil Action No.

115 RESTAURANT CORP. AND
AH FDB LLC,

1:23-cv-9335

Defendants.

-----X

Plaintiff, VERNITA WORRELL, (“Plaintiff”), by and through her counsel, The Marks Law Firm, P.C., hereby files this Complaint and sues 115 RESTAURANT CORP., a domestic business corporation, and AH FDB LLC, a domestic limited liability company, both registered in the State of New York, (hereinafter collectively “Defendants”), for a) injunctive relief, b) compensatory relief, and c) attorney fees and costs pursuant to 42 U.S.C. 12181, et. Seq., of the Americans with Disabilities Act (“ADA”), the New York Human Rights Law (“NYCHRL”), and the New York State Human Rights Law (“NYSHRL”) and alleges:

JURISDICTION AND PARTIES

1. This is an action for declaratory and injunctive relief pursuant to Title III of the ADA, 42 U.S.C. § 12181, et. Seq. This Court is vested with original jurisdiction under 28 U.S.C. §1331 and §1333.
2. Venue is proper in this Court, pursuant to 28 U.S.C. §1331(B) in that all events giving rise to this lawsuit occurred in the State of New York.
3. The violative Premises and the events giving rise to this lawsuit is located at 2128 Frederick Douglass Boulevard, New York, NY 10026 (hereinafter “Premises”).

4. Venue is proper in this Court as the premises is located in the State of New York, County of New York.

5. The Defendants, 115 RESTAURANT CORP. and AH FDB LLC are each authorized to conduct and are conducting business within the State of New York.

6. Upon information and belief, 115 RESTAURANT CORP. is the lessee and/or operator of the real property and the owner of the improvements where the Premises is located which is the subject of this action. Defendant also maintains and controls the Premises.

7. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, Defendants' Premises is a place of public accommodation in that it is an establishment that provides goods and services to the public.

8. Upon information and belief, AH FDB LLC is the owner, lessor and/or operator and managing agent of the real property where the Premises is located, which is the subject of this action, which also maintains and controls the Premises.

9. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, the building and/or Premises which is the subject to this action is a public accommodation covered by the ADA and which must be in compliance therewith.

10. The remedies provided by the NYSHRL against discrimination are not exclusive and state administrative remedies need not be exhausted in connection with suits brought under the Federal Civil Rights Act.

11. At the time of each of Plaintiff's visits to the Premises, and prior to the instant action, Plaintiff was, and still is a resident of the City and State of New York. Plaintiff is a paraplegic, which constitutes a "qualified disability" under the ADA of 1990. Plaintiff uses a wheelchair for mobility.

12. On August 4, 2023, Plaintiff again attempted to enter Defendants' Premises (a well-known restaurant known for its unique take on American dishes and cocktails), which is approximately one (1) mile from her home, to have drinks and food with her friends (who are also disabled individuals who utilize wheelchairs for mobility). However, because of the architectural barriers at the entrances of the store, such as, inter alia, two concrete steps at the entrance, Plaintiff was denied full and equal access to, and full and equal enjoyment of, the facilities at Defendants' Property, which is subject to this instant litigation.

13. Plaintiff lives a few blocks from the Premises and was looking forward to spending quality time with friends, but neither Plaintiff nor her friends were able to access the Premises, which has occurred on many occasions. As a result, Plaintiff was denied access at the entrance and no alternative accessible entrances were available. Plaintiff continues to be denied access each time due to the existence of the same barriers to access, and therefore suffered an injury in fact. Plaintiff is deterred from going to the restaurant/bar based on her knowledge of the existing barriers to access and need not make a futile gesture every time she wants to go.

14. It should be noted that Defendants have been named in a prior lawsuit for ADA non-compliance at the Premises. Yet Defendants have willfully and intentionally chosen to discriminate at Plaintiff's expense, without justification.

15. Plaintiff intends on immediately returning to the Premises to try their American dishes and cocktails with her friends once the barriers are removed and the Premises is ADA compliant. Defendants' intentional violations impede upon Plaintiff's, and other similarly situated disabled individuals' right to travel free of discrimination.

COUNT I - VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT

16. The ADA prohibits discrimination on the basis of disability. The Act guarantees reasonable accommodations for individuals with disabilities to ensure they are not the subject of discrimination.

17. The ADA and 2004 ADA/ABA Accessibility Guidelines for Buildings and Facilities (36 CFR Part 1191, Appendices B and C) along with 28 CFR Part 36, Subpart D, the New Construction and Alterations portion of Title III (all hereinafter referred to as the “2010 Standards” or “Accessibility Standards”) dictate that property owners and operators of commercial premises being used as “commercial establishments” are responsible for complying with these Federal Accessibility Standards.

18. The Plaintiff is informed and believes, and therefore alleges that the Premises has begun operations and/or undergone substantial remodeling, repairs and/or alterations since January 26, 1990.

19. Defendants have discriminated, and continue to discriminate, against the Plaintiff, and others that are similarly situated, by denying full and equal access to and full and equal enjoyment of goods, services, facilities, privileges, advantages, and/or accommodations at Defendants’ Premises, in violation of these Accessibility Standards.

20. The Plaintiff has been unable to, and continues to be unable to, enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered at Defendants’ Premises.

21. Plaintiff visited Defendants’ Premises with the intention of utilizing Defendants’ facilities, but was denied access to the Premises, and therefore suffered an injury in fact. In addition, Plaintiff continues to reside in the City and State of New York and continues to desire

to visit the Premises in the future, but will suffer future harm in that she is unable to access the Premises and continues to be discriminated against due to the architectural barriers which remain at the Premises, all in violation of the ADA, and New York State and City Human Rights Law.

22. Pursuant to the mandates of 42 U.S.C. §12134(a), On July 26, 1991, the Department of Justice, Office of Attorney General, promulgated Federal Regulations to implement the requirements of the ADA, known as the American with Disabilities Act Accessibility Guidelines (hereinafter “ADAAG”), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$55,000 for the first violation and \$110,000 for any subsequent violation.

23. The Defendants’ Premises is in violation of 42 U.S.C. §12181 et. Seq., ADA and the 2010 Standards, and is discriminating against the Plaintiff as a result of inter alia the following specific violations:

- a. Due to the two concrete steps leading to the entrance, the Property lacks an access route from site arrival points such as the public streets and sidewalks to the accessible entrance in violation of section 206.2.1 of the 2010 ADAAG standards.
- b. The total vertical rise of accessible route leading from public sidewalk is greater than $\frac{1}{2}$ (one-half) inch due to the steps leading to the entrance and thus, the accessible route is not ramped in compliance with section 405 or 406, this is a violation of section 303.4 of the 2010 ADAAG standards.
- c. Failure to provide accessible dining tables within the premises and outside.
- d. Failure to provide an inaccessible bar top.
- e. Failure to provide accessible restrooms.

f. Defendant fails to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

24. Upon information and belief, there are other current violations of, *inter alia*, the ADA at Defendants' Premises, and only once a full inspection is done can all said violations be identified.

25. To date, the architectural barriers and other violations of the ADA still exist, the removal of which is readily achievable and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA or to create access to the Premises.

26. Pursuant to ADA, 42 U.S.C. §1201 et. Seq. and the Accessibility Standards, the Defendants were required to make the Premises, a place of public accommodation, accessible to person with disabilities since January 28, 1992. To date, the Defendants have failed to comply with this mandate.

27. Pursuant to 42 U.S.C. §12188, this Court is vested with the authority to grant the Plaintiff injunctive relief; including an order to alter the Premises to make them readily accessible to, and useable by, individuals with disabilities to the extent required by ADA, and order the closing of the Subject Facilities until the requisite modifications are completed.

Code §8-107(4)(a).

30. Defendants are in violation of the New York City Human Rights Law by denying the Plaintiff full and safe access to all of the benefits, accommodations and services of the Premises.
